What Next?

Our 9 Day Celebration is over but our commitment to
"An Attitude of Gratitude" has only just begun.

We have planted some seeds and now we need to
cultivate, water, and replant with the seasons.

For one year we will be observing a year of gratitude.

Gratitude is more than a warm feeling of thankfulness.

It is intentionally expressing thanks to those around us.

"Silent gratitude is of no value", says Rev. Robert E. Long,
Senior Pastor of St. Luke's United Methodist Church
in Oklahoma City, OK. In 2011 their church observed

"A Year of Gratitude" and Rev. Long said

"I never would have anticipated all the blessings we've received".

Gandhi suggested that "We must become the change
we want to see in this world."

Jesus reminded us "Do unto others as you would
have them do unto you."

We never know which kind word or action will take root
and grow in someone else's heart,

we should however keep planting with hope.

Having a spirit of gratitude is a great way to live,
and brings amazing blessings.

Are we ready to set off on this wonderful adventure?
